

Superb sleeping equipment since 1934.

Schlarafia®

FOR HOTELS WHOSE GUESTS DEMAND MORE

Portfolio by Schlarafia

90 YEARS OF TRADITION AND EXPERIENCE

Schlarafia is a renowned brand based in Belgrade, Serbia, specializing in premium sleep equipment. With a legacy dating back to 1934, Schlarafia is known for its craftsmanship, top-quality products, and innovative spirit, setting it apart in the industry.

As a leader in Serbia's premium sleep equipment sector, Schlarafia has pioneered many aspects of the industry. A key strength lies in its unique patented spring core and the use of high-quality materials primarily sourced from the EU and USA. Schlarafia offers a diverse range of products, including handmade mattresses, beds, and luxury sleeping accessories.

Schlarafia is also actively involved in scientific sleep studies in collaboration with public partners and relevant institutions.

Architects and interior designers consider Schlarafia a reliable partner, often recommending its products to clients. Hoteliers trust Schlarafia for its professionalism, experience, and commitment to providing guests with a complete accommodation experience, opting for top-quality sleeping equipment.

FOR HOTELS WHOSE GUESTS DEMAND MORE

We confidently claim that the growing needs of the hotel market for quality and hygienically sustainable beds can be met only with the help of a reliable partner.

PRE-SALES CONSULTING

- Consulting about the type of sleeping pads depending on:

- Type and categorization of the tourist facility
- Climatic conditions and seasonal occupancy
- The size of accommodation units

- Financial consulting:

- Cost-benefit analysis with projection of bed renewal period
- Transparent financial offer without additional costs

- "The need for excellence" – solutions by which your hotel will be recognizable

- Pillow and duvet menu
- Production according to the specification, but also according to the production specification of a unique recipe
- The production of beds and mattresses in all non-standard dimensions and shapes
- "Signature edition," a complete personalized portfolio

QUALITY OF PRODUCTS AND SERVICES

- Unique handmade **beds, bases, and mattresses** known for their patented Schlarafia system
 - **MATTRESS-2-MATTRESS by Schlarafia** Concept
- High-capacity mattresses, different levels of comfort, outstanding orthopedic properties, exceptional hygienic sustainability
 - **Fast delivery** time in all proposed options
 - 15-year warranty on Schlarafia handmade spring core
- Consultations regarding setup of all sleeping items, including annexes, extra beds, and baby mattresses
 - High-quality, waterproof, and breathable **mattress protectors**

POST-SALES SERVICES

- Maintenance and handling consultations
- Prompt response to damage, extraordinary incidents, and additional specific requirements

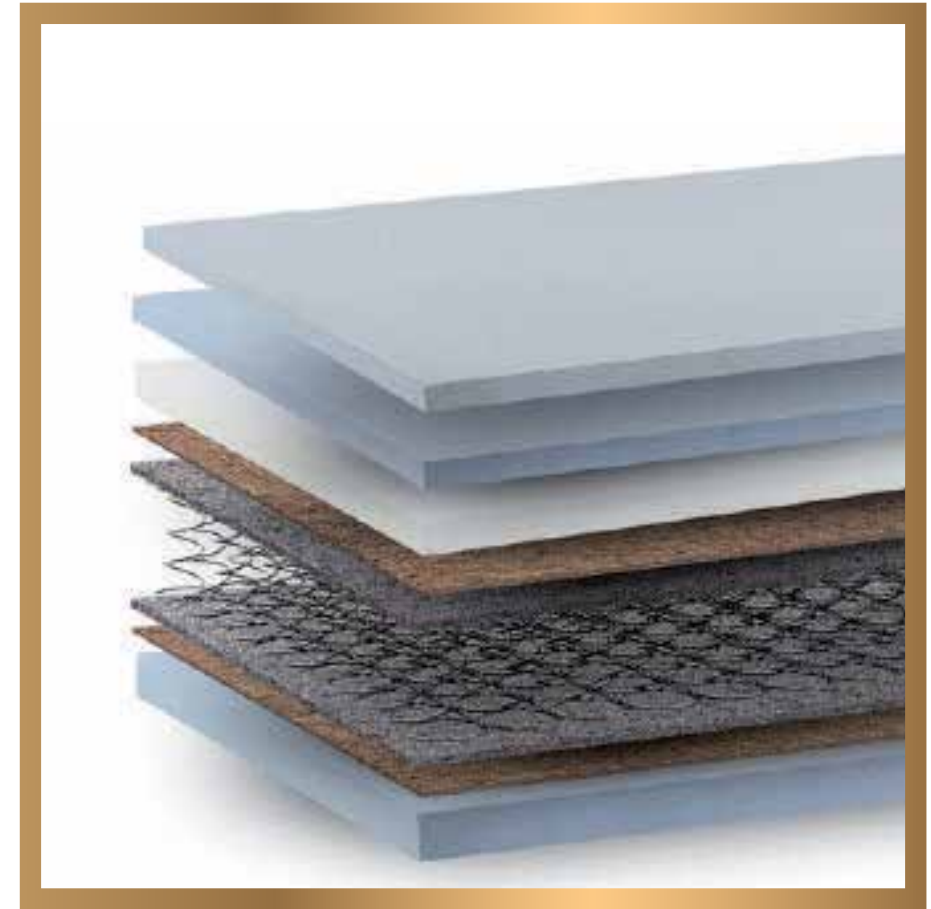

**GOOD MORNINGS ARE THE REWARD
FOR THE GOOD NIGHTS**

Schlarafia Premium Collection

KING

Handcrafted, with a luxurious finish interwoven with cashmere threads and a breathable mattress structure, the KING mattress creates ideal conditions for a peaceful night's sleep. The comfort gradient of this mattress consists of 3 high-density HR foams, each offering different levels of comfort. This ensures perfect balance between spinal support and comfort, catering even to the smallest joints and muscles.

FEATURES

CORE: Patented Schlarafia Handmade Spring Core
Protected with Coconut fibers + Thermofixed felt

BOTTOM CUSHIONING: HR

COMFORT: Gradient of 3 comfort foams
HR + SOFT + SUPERSOFT

SIDE CUSHIONING: PU

COVER: Removable washable cover
Enriched with CASHMERE threads

BREATHABILITY: 10/10
Uninterrupted airflow through the entire mattress

HEIGHT: 32 cm
Asymmetrical mattress structure

SOFTNESS: 8/10

LOAD-BEARING CAPACITY / SUPPORT: H5
Intended for a flat, firm base / futon

HOTELS / 5* / 4*

BENEFITS

EXCEPTIONAL SUPPORT FOR SPINE AND SMALL JOINTS
Gradient of 3 superior foams in the comfort layer

DURABILITY
Highest level of comfort during the period of use

SUPERB MOISTURE MANAGEMENT
Highest level of moisture management

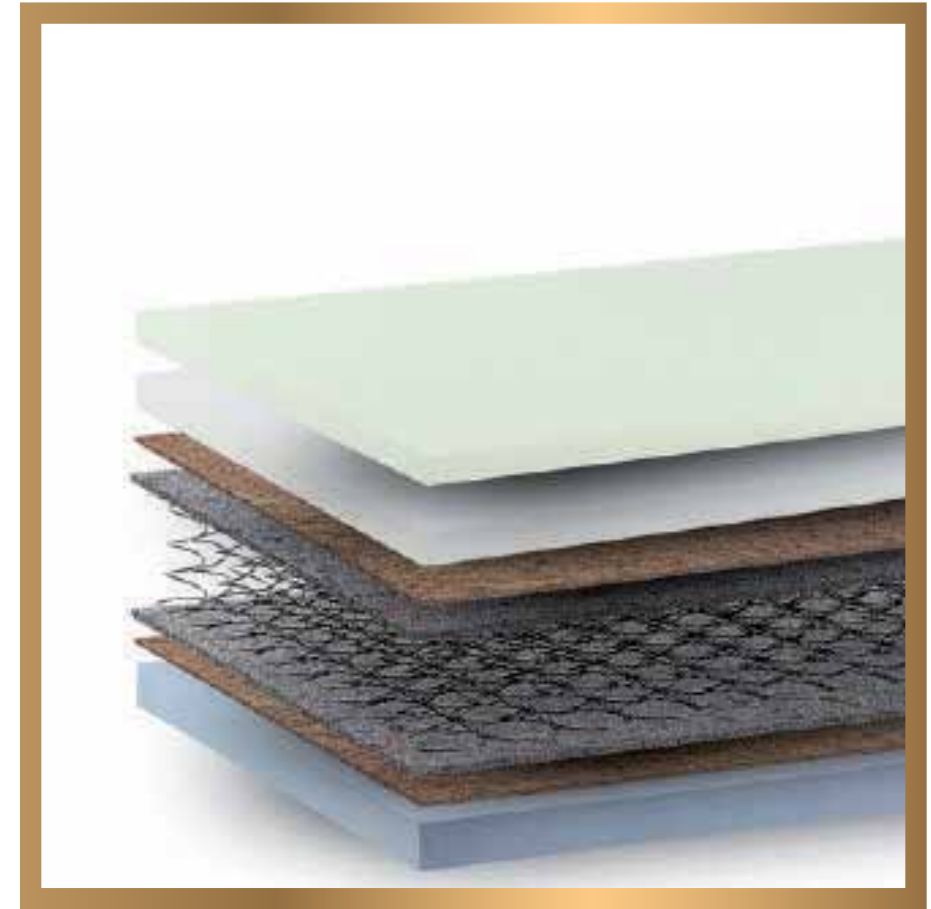

Motion isolation for the other sleeper

EASY MAINTENANCE
Machine washable cover at 40°C

QUEEN

The QUEEN mattress offers supreme comfort, utilizing a recipe that maximizes the benefits of memory foam. Supported by Schlarafia's handcrafted core, the unique comfort gradient combines two types of high-density memory foam. The top comfort layer is designed to provide a pleasant sinking sensation, while the lower layer supports the sleeper's body and offers stable spinal support.

FEATURES

CORE: Patented Schlarafia Handmade Spring Core
Protected with Coconut fibers + Thermofixed felt

COMFORT: Gradient of comfort foams
HR + MEMORY PLUS

COVER: Removable washable cover
Enriched with SILK threads

HEIGHT: 32 cm
